SHREYA JHA

Web Developer

Summary

I'm an hardworking and focus-driven developer who has worked on many projects, made with languages like ReactJS and sometimes HTML with the use of Bootstrap CSS framework.

I believe creating new projects, I like the challenges which arise while working on my projects.

All Projects

- **Men's Shopping Site** – made with HTML,CSS,Bootstrap, also used some images from Pexels and Unsplash.

- **Mehendi Website** – made with HTML,CSS and Bootstrap.

- **Women's Shopping Site** - made with HTML,CSS,Bootstrap, also used some images from Pexels and Unsplash.

- **Dribble Design** – made with ReactJS and React Bootstrap. Downloaded images with the help of inspect.

- **Search Unsplash Images** – made with the use of NextJS and Bootstrap. It's made with the use of unsplash API.
